Code of Conduct for Regulating, Monitoring and Reporting of Trading by Designated Persons and their Immediate Relatives

(I) PREFACE

Insider trading means buying or selling or dealing in securities of a company by the Insiders with the advantage of having asymmetrical access to unpublished information which when published would impact the price of securities in the market. It is detrimental to the interest of bona fide investors of a company and also threatens investor confidence in the capital market.

Pursuant to Regulation 9 of the SEBI (Prohibition of Insider Trading) Regulations, 2015 as amended and to prevent Insiders from procuring, communicating, providing or allowing access to unpublished price sensitive information (“UPSI”) except where such communication is in furtherance of legitimate purposes, performance of duties or discharge of legal obligations, the following code of conduct for regulating, monitoring and reporting of trading by designated persons and their immediate relatives have been approved and adopted by the Board of Directors of the Company.

3. The purpose of the CoC-PIT is to -
 - (i) prohibit the communication of UPSI except for legitimate purposes, performance of duties or discharge of legal obligations;
 - (ii) prohibit trading in the securities of the Company on the basis of UPSI;
 - (iii) enable disclosure of trading by Insiders; and
 - (iv) ensure appropriate, fair and timely disclosure of UPSI.
